-:o:-

(A) The notification under section 4(1) of the Land Acquisition Act approved in the C.O. cited was published at page 67 part I-A of the Fort St.George Gazette dated 1.2.56. Thereafter notices under Section 5 A of the Land Acquisition Act were served on all the interested parties and published in the prescribed manner. The purchaser of the plots in question is Sri Gopala Shetty. He has put in a petition objecting to the acquisition of the plots. His main objection are that the intended acquisition will cause much hardship to him and that some other convenient plot may be acquired for the purpose or else walls may be put on either side of the road to be formed on the land to be acquired to prevent cattle from straying into his other fields. The Panchayat President has agreed to put up mud walls as desired. Sri Gopala Shetty has also suggested that some other lands may be acquired. After personal inspection of the plots the Tahsildar who is the Land Acquisition Officer in this case reports that the question of acquiring other land cannot be considered as the ~~alignment~~ alignment of the road cannot be shifted to anyother site. It is reported that the roads on either side of the plots in question have already been formed and the plots now proposed for acquisition are required to give a

connecting link to the roads already formed. As the circumstances and the objections to the acquisition of Sri Gopala Shetty does not deserve any consideration it may therefore be over ruled. No other objections have been received.

2. The total extent of the lots to be acquired is 0.13. They are registered in the Revenue accounts either as Wet I or Wet III. In the absence of any sales of similar lands in the in the vicinity the plots have been valued on the basis of their rental value. The total cost of acquisition work out to Rs.416-13-3 including solatium at 15%.

3. I submit herewith in duplicate a draft declaration under section 6 of the Land Acquisition Act which may be approved and ordered to be published in the Fort St.George Gazette.

3. The records of enquiry under section 5.A. of the Land Acquisition Act are enclosed for perusal and return with the necessary orders.

Yours faithfully

For Collector.
